Chosen Option:				✓			
Reason:	<ul style="list-style-type: none"> • Vision ICT Ltd have created over 360 council websites. • Vision ICT Ltd's council websites are .gov.uk compliant and they keep up-to-date with changing .gov.uk requirements. • Feedback from councils who have used Vision ICT Ltd has been very positive. • Vision ICT Ltd have a support team available 24/7. • Nigel Ferguson is only available at evenings and weekends for support. • Vision ICT Ltd's CMS is robust and very easy to use. • Vision ICT Ltd offer a warranty and have public liability insurance as well as a complaints procedure. • Nigel Ferguson does not appear to offer a warranty, have any public liability insurance and hasn't provided details of his complaints procedure as requested. • Vision ICT Ltd's software used is superior to Word Press, which Nigel Ferguson uses. • Nigel Ferguson works FT at the county council, intercepted my enquiry and quoted himself. Concern has been raised about how ethical that was. • Nigel Ferguson can't guarantee that his website will conform to the .gov.uk requirements. • Vision ICT Ltd are based in Exeter, so could be visited by the PCM in August. • £1575 is felt to be very good value for the website that we will receive.
