- **Community safety update - speeding**

On Thursday 6 June 2019, Staffordshire Police undertook a traffic operation Codsall and Bilbrook from 8am to 1pm. This was in response to complaints from local residents and Councillors concerned about speeding, HGVs breaching the 7.5 tonne weight limit on village roads and errant parking near to the railway stations. The Police utilised a speed laser gun at two sites (Birches Road and Wolverhampton Road) and the results of the traffic operation were:

 - 15 drivers issued with warning notices regarding excess speed in a 30mph zone.
 - 2 drivers issued with warnings for defective tyres.
 - 1 vehicle seized for no insurance (driver reported for no insurance and no MOT).
 - 1 vehicle seized on behalf of DVLA having not been taxed for over 12 months.
 - 1 HGV driver stopped and warned for exceeding the 7.5 T weight limit.

- **Council Tax scam alert**

Householders including those in South Staffordshire are facing various Council Tax scams offering bogus refunds or threatening fines. Fraudsters are contacting people via text, email and telephone and telling them that they have either paid too much Council Tax and are due a refund (which they offer to claim on their behalf for a 'fee') or demand payment for arrears.

This is a scam - banks and HMRC will never contact people out of the blue and ask for your personal information or bank details and councils will never phone, text or email residents to ask for a payment to release a Council Tax refund or ask for personal bank details. Don't give out your private information and if you receive a suspect email ignore it and don't download attachments or click on links.

- **CCG consultation on a single strategic commissioning organisation**

The CCGs are currently running a consultation on a proposal to create a single Strategic Commissioning Organisation (single CCG). If progressed, this would have commissioning
