This week's news from around the Council.

- **Annual Canvass 2019**

Thank you to residents who have responded to the Household Enquiry Form. Every year, we are required to write to every household in the district to confirm that the details we have on the electoral register are correct. It is a legal requirement to respond to this letter and it's quick and easy to reply - you can do this online or by telephoning, texting or signing the form and sending it back. Click [here](#) for more information.

First reminders will start to be despatched shortly for those residents who have not responded yet. We have to follow up any non-responding households so please help us save money by responding quickly.

- **Together We're Better - public and patient survey - closes on Sunday**

It's the final few days for the survey exploring experiences of health and care services across Staffordshire and Stoke-on-Trent, which closes at midnight on Sunday 25 August 2019. Every comment will be analysed with a report of findings presented to the CCG's governing bodies in Autumn 2019. Click [here](#) for more information about the 12-week public consultation and click [here](#) to complete the survey.

- **Let's Work Together**

Yesterday, over 30 people from organisations across the district attended a Let's Work Together training session in the Council Chamber. The topic was 'Adult Safeguarding: Self-Neglect' and the morning included presentations by Staffordshire Fire and Rescue Service, Staffordshire County Council and Voices of Stoke. The theme of the next Let's Work Together training session will be 'Dementia - Community Support' and it will take place on Thursday 5 September 2019 in the Council Chamber.

- **Visit by Housing Secretary**

Last Friday, the Housing Secretary the Rt Hon. Robert Jenrick MP paid a visit to Pastures View, a 14-home rural development situated in Himley Lane in Swindon, South Staffordshire. The site was completed in 2011 and provides 14 affordable homes, four shared-ownership properties and 10 for affordable rent. Click [here](#) to see more. A big thank you to the Street Scene team who went out to the site beforehand and made sure it was looking its best for the visit.

• Funding now available to help you heat your home

For a limited time, householders and tenants in South Staffordshire can benefit from being connected to mains gas along with a new gas-fired central heating system all installed free of charge (subject to eligibility). The scheme is funded using the Warm Homes Fund, established by National Grid to support local authorities, registered social landlords and other organisations working in partnership with them, to address some of the issues affecting fuel poor households. South Staffordshire Council is working with Staffordshire County Council, E.On and Affordable Warmth Solutions to help fund and successfully deliver this scheme locally and ensure households can afford to heat their homes.
