

Community Engagement Policy

Lapley, Stretton and Wheaton Aston (LSWA) Parish Council is committed to engaging with and empowering its residents and communities so that they can be actively involved in decisions that affect them. The Council will work proactively to strengthen and improve working relationships with our partners; statutory bodies, organisations, local business and voluntary groups. LSWA Parish Council aims to be responsive to the needs of the local community and to involve its parishioners in the Council's decision-making about the issues which affect them including planning, delivery of services and the future of the area.

To achieve this, the Council will provide its parishioners with:

- relevant information about services, policies and decisions that might affect or interest them;
- opportunities for them to have their say about decisions, services and plans through consultations, surveys and conversation
- opportunities to get involved, over and above informing and consulting, to give them a greater influence over decisions and delivery.

In doing so, the Council will follow the principles set out below and will:

Honesty and openness

- Make clear the purpose of any engagement activity and use the right methods (proportionate to the significance of the issues) to engage the local community
- Be clear about what can be influenced
