

Lapley, Stretton and Wheato

Environmental, Health and Safety Risk Assessment

Parish Council

Person Preparing Assessment

A Watson

Date 6.9.2018

Site Areas within the Parish remit	Risk Assessment No. 2018
Activity or Equipment Litter Picking	Location Weaton Aston, Lapley and Stretton
Persons Exposed Litter Picker & volunteers authorised by LSWA PC	

Hazards which create potential harm

Mobile Plant/Vehicles	<input type="checkbox"/>	Falls of Materials	<input type="checkbox"/>	Fire/Explosion	<input type="checkbox"/>	Overhead Services	<input type="checkbox"/>
Deep Excavations	<input type="checkbox"/>	Noise/Vibration	<input type="checkbox"/>	Flying Particles	<input type="checkbox"/>	Buried Services	<input type="checkbox"/>
Demolition	<input type="checkbox"/>	Fumes/Gas	<input type="checkbox"/>	Collapse of Structure	<input type="checkbox"/>	Manual Handling	<input checked="" type="checkbox"/>
Work on/adjacent to Water	<input type="checkbox"/>	Dust	<input type="checkbox"/>	Infected Material	<input type="checkbox"/>	Vehicle Overturning	<input checked="" type="checkbox"/>
Falls From Height	<input type="checkbox"/>	Heat	<input type="checkbox"/>	Soft Ground	<input checked="" type="checkbox"/>	Confined Spaces	<input type="checkbox"/>
Falls on Level	<input checked="" type="checkbox"/>	Lifting Operations	<input type="checkbox"/>	Lighting Levels	<input type="checkbox"/>	Adverse Weather	<input type="checkbox"/>

Other (specify) The above is not exhaustive

Only undertake litterpicking in designated areas - activities should not be undertaken on public roads

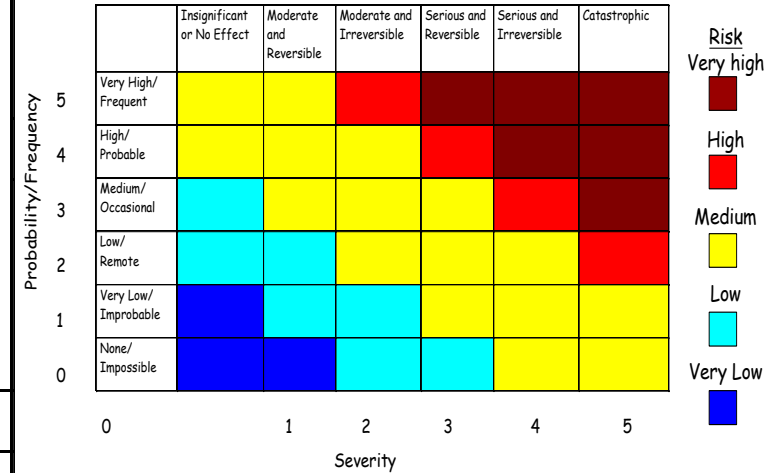

Report any issues or concerns immediately to Parish Clerk

Consider surroundings when lone working

Always inform a family member/friend of your location when working alone in the community

Hazard	Factors of Harm		Risk Rating		Control Measures
	Likelihood	Severity	Score	Rating	
Manual Handling	1	1	2	L	Use a litter picker to avoid un-necessary bending Use appropriate manual handling techniques - bent legs and straight back - take regular breaks to avoid fatigue Only collect litter that can be put into bags - do not move heavy or bulky items
Falls on level	1	1	2	L	Wear appropriate footwear that offers support with good grip. Assess terrain and conditions underfoot prior to commencement and defer activities if hazardous.
Cuts from sharp objects	2	1	3	L	Assess items for hazards before removing - e.g. sharp edges, unknown substances. Refer any concerns to Parish Clerk Use appropriate equipment to remove sharp objects such as broken glass etc - use a litter picker or dust pan & brush Wear protective gloves
Lone worker	1	2	3	L	advise family/friend of expected return time, always follow the council policy
Vehicle turning	1	1	2	L	Consider vehicle users at all times
